St. Thomas More Community rejoices that for over 60 years it has shared in God's blessings. That is 60 years of gathering to worship, celebrating the Sacraments, teaching, preaching, serving those in need, and being the presence of Christ in the world.

While growing in faith and fulfilling our mission, our church complex has experienced 60 years of wear and tear. Enclosed is a tri-fold detailing our current and projected needs. As stewards of what God has given us, we are called to maintain and sustain our place of worship for our good and for the good of the generations to come.

Over a hundred early contributors have provided funds to resurface our parking lot, refurbish our gym floor, adjust the mechanics of our church doors, and pay for our new organ. We praise God for the goodness and generosity of our parishioners that made this possible. Now we need to address our other problems - paint the exterior of the church and carriage house, fix sections of our roofs that need replacement, especially the dormers on the church, separate the air and heating units from the school, and build a reserve for future needs. Your participation is critical to accomplish these tasks. We ask that you give the St. Thomas More 60<sup>th</sup> Anniversary Campaign your prayerful consideration. With the guidance of the Holy Spirit, please make a financial commitment so that we can address these additional needs. We can only accomplish this with 100% parish participation. Please complete the enclosed pledge card and return it in the enclosed envelope.

If you would like to discuss the campaign or your contribution please call me at 381-4200 ext. 101. I look forward to your commitment to our parish and its ministries.

With God's Blessings,
