

60th Anniversary Million Dollar Capital Improvement Campaign

This campaign will provide for the needs of St. Thomas More and secure the viability and vitality of our parish for the future. We encourage each and every household to offer their support in this effort.

Within the next few weeks you will have an opportunity to participate in the campaign by filling out a pledge card. Through your generosity we will not only be able to restore and improve our facilities but also honor those who have come before us, continue to have a place where the mission of Christ is fulfilled, our promises are met and a faith community flourishes.

Celebrating St. Thomas More Parish's 60th Anniversary

**60 Years of
praising God,
celebrating the Sacraments,
growing in faith,
and offering service to others!**

Our Needs over the next five years are many.

This 60th Anniversary Campaign is a faith journey for every member of our parish. Your generosity will enable us to address the following needs:

The exterior needs of the church affect the interior of the building.

The 13 major stained glass windows are works of art. The integrity of these windows must be secured.

Becket Hall and Carriage House are a great asset to our community. Some major exterior work will need to be done over the next few years.

Six dormers are in need of new flat roofs and refurbishing to prevent leakage

Over 25,000 sq. ft. of parking lot must be maintained. This requires yearly repair work and total replacement within five years.

Front and side doors of the church need to be refurbished.

The new organ is an upgrade to digital control that will improve quality and versatility.

Over the past 60 years God has blessed us with numerous gifts. As a Church we have also experienced 60 years of wear and tear. As stewards of what God has given us, we are called to maintain and sustain our place of worship for our good and the good of the generations to come.
